Past Chief Commissioner
Chair, Nominating Committee

Re: Nominations for the Board of Governors

Fellow Scouters,

As we approach the end of another Scouting year we must begin preparing for the Annual Meeting in November by nominating a group of dynamic and skilful Canadians, with or without Scouting experience, to assist us in plotting the future course of our Movement. We are looking for individuals who:

- display exceptional leadership skills
- are good communicators
- that live their lives in a manner that is in accordance with the Principles of Scouting (even if they are not currently members)
- represent the ethnic communities that support Scouting in Canada

In particular, we are looking for a representative of the Chinese community, since this is the fastest growing section of Scouts Canada.

We require nominations for the following ten (10) positions:

One (1) - Youth Member

Four (4) - Members-at-Large

Five (5) - Provincial Members (Alberta, Northwest Territories & Nunavut, Prince Edward Island, Quebec, Saskatchewan)

Please work with Scouters in your Council to help us find these special individuals. The nomination should consist of a covering letter and short biography with photo attached where possible, and be e-mailed to Cheryl Dinelle at the National Office (cdinelle@scouts.ca) by June 30th, 2006. Once we have done the initial review of candidates and prepared a short list, we will contact you for additional information. As well, please feel free to nominate deserving individuals you know who do not reside in your geographic area.

Yours in Scouting,

Mike Scott
Past Chief Commissioner
Chair of the Nominating Committee
